

Full House in Watt Hall for Christmas Buffet & Sing-along

The AOTS men's club put on a great evening for the people of St. Paul's on Friday, Dec. 4. The crowd was larger than anticipated as 170 people showed up.

There was plenty of good food and everyone seemed to enjoy the event.

Entertainment included Charlie Hogg, leading us in several sets of rousing sing-along Christmas music and recitations, three young pianists (Joel Woods, Naomi Woods and Evan Dando) treated us to their favourite Christmas songs or carols.

Brian Lytle and his friend Wib Back performed their "Country Christmas" harmonica duet in two sets of four beautiful old "country style" favourites. Brian emptied his Rec Room to set the stage and he also brightened the area with a few hundred lights strung around the stage from one end to the other - Impressive. Also a big "THANK YOU" to all of those who helped set-up and dress the tables, prepare and plate the food, serve, wash dishes, put tables away and clean up afterwards.

A special thanks to the ladies who assisted. A great team effort. The AOTS thank you! ... Bud Farris ...and everyone thanks Bud Farris for master-minding the whole production.
